REQUEST FOR CONTRACTOR PRE-QUALIFICATION

RFPQ NO. DMS-03132020-LX

PROJECT TITLE: UT West Branch Rocky River Restoration Site Mitigation Project

PRE-QUALIFICATION RESPONSE DUE DATE: 3/27/2020 at 4:00 pm

IMPORTANT NOTICE TO ALL APPLICANTS

Read this document in its entirety and submit the required information in the format described in this Request for Pre-Qualification.

CONTRACTOR ELIGIBILITY:

This prequalification is open to those Contractors that satisfy the minimum qualifications stated herein.

Failure to answer all of the following questions may result in disqualification. If general contractor has any questions, contact the person listed below under "Submitted to." Completing this questionnaire does not guarantee prequalification. The State agency/institution reserves the unqualified right to reject any or all submittals and to waive informalities. The State agency/institution has developed a plan to meet or exceed goals set by GS 143-128 for the participation of minority businesses in public construction contracts. Contractors are expected to be familiar with these initiatives and to comply with program requirements.

1 INTRODUCTION

1.1 PURPOSE AND BACKGROUND

The NC Division of Mitigation Services (hereinafter, "AGENCY") is soliciting statements of qualifications from CONTRACTORS interested in providing construction services. Pursuant to NC Session Law 2011-343 only CONTRACTORS who have prequalified under procedures established by the AGENCY shall be eligible to bid AGENCY construction projects. Construction contracts issued under this subdivision shall be exempt from the requirements of Article 8B of Chapter 143 of the General Statutes.

1.2 OBJECTIVE

The objective of the Request for Pre-Qualification (RFPQ) is to identify three or more responsible CONTRACTORS who meet the AGENCY's qualification requirements to provide the goods and/or services outlined in this RFPQ to the AGENCY. All qualified CONTRACTORS are invited to participate by submitting responses, as further defined within this RFPQ.

This RFPQ will not result in contract award. Instead, this RFPQ will establish a list of three or more qualified CONTRACTORS who will be eligible to submit bids on a future solicitation for this project.

1.3 MINIMUM QUALIFICATIONS

The CONTRACTOR must be licensed to do business in the state of North Carolina and at a minimum have General Contractors License: Highway or Unlimited.

CONTRACTORS who do not meet these minimum qualifications will be rejected as non-responsive and will not receive further consideration. Any submittal that is rejected as non-responsive will not be evaluated or scored.

1.4 DEFINITIONS

Definitions for the purposes of this RFPQ include:

Agency. The NC Division of Mitigation Services (NC DMS). The NC DMS is a program of the NC Department of Environment and Natural Resources.

Business Days. The normal days of operation for the NC DMS; specifically Monday, Tuesday, Wednesday, Thursday, and Friday, from 8:00 AM to 5:00 PM

Designer. Individual, company, or firm responsible for the project design, construction management, and administration of construction contracts associated with this pre-qualification.

Contractor. Individual or company, or firm submitting a pre-qualification package for this project.

Request for Pre-Qualifications (RFPQ). Formal procurement document in which services needed are identified and firms are invited to provide their qualifications to provide the services.

Submittal. A Contractor's submitted response to this RFPQ.

2 PRE-QUALIFICATION PROCEDURES

2.1 AGENCY CONTRACT ADMINISTRATOR

The AGENCY Administrator is the sole point of contact in the AGENCY for this prequalification. All communication between the CONTRACTOR and the AGENCY upon receipt of this RFPQ shall be with the AGENCY Administrator.

Direct all inquiries concerning this Request for Pre-Qualification in writing via email to:

Name Lin Xu
Street Address 217 West Jones Street, 3rd Floor
Suite 3000A
Raleigh, NC 27603

E-Mail Address lin.xu@ncdenr.gov

Any other communication will be considered unofficial and non-binding on the AGENCY. CONTRACTORS are to rely on written statements issued by the AGENCY Administrator. Communication directed to parties other than the AGENCY Administrator may result in disqualification of the CONTRACTOR.

2.2 SCHEDULE OF PRE-QUALIFICATION ACTIVITIES

The AGENCY reserves the right to revise the following schedule:

Activity	Date
Issue Request for Qualifications	March 9, 2020
Pre-qualification submittals due	March 27, 2020
Notification of pre-qualification results	April 3, 2020

2.3 PRE-QUALIFICATION SUBMITTALS

CONTRACTORS are required to submit one (1) original hardcopy, two (2) hardcopies and one (1) digital copy of their RFPQ submittal. CONTRACTORS may submit the digital copy on a thumb drive; PDF format is preferred. The submittal, whether mailed or hand delivered, **must arrive at the AGENCY no later than 4:00 p.m., Eastern Standard Time, on the submittal due date.**

2.3.1 Preparing a Response

When preparing a response, the supplier must consider the following instructions:

1. Use the provided worksheets to prepare your response. Enter your responses directly into the worksheet. Unless otherwise directed, do not insert "see attached file" (or similar statements) in the worksheet to reference separate documents.
2. Answer each question in sufficient detail for evaluation while using judgment with regards to the length of response.
3. Proofread your response and make sure it is accurate and readily understandable.
4. The RFPQ response must provide information in the same order as presented in this document with the same headings. This will not only be helpful to the evaluators, but should assist the CONTRACTOR in preparing a thorough response.

The CONTRACTOR's RFPQ submittal must be prepared on eight and one-half by eleven-inch (8 ½" x 11") paper with tabs separating the major sections. The three major sections are to be submitted in the order noted below:

1. Request for Pre-Qualifications with a completed Pre-qualification Form for Single Prime Contractors
2. Mandatory attachments
 - a. NC General Contractors License
 - b. Surety Letter
 - c. Insurance Certificate
3. Other attachments
 - a. Financial Balance Sheet
 - b. OSHA 300 Log
 - c. Historically Underutilized Business (HUB) Plan

The CONTRACTOR's RFPQ submittal is to be sent to the AGENCY Administrator the address noted in Section 2.1. The envelope should be clearly marked to the attention of the AGENCY Administrator.

CONTRACTORS mailing their RFPQ submittal should allow normal mail delivery time to ensure timely receipt of their submittals by the AGENCY Administrator. CONTRACTORS assume the risk for the method of delivery chosen. The AGENCY assumes no responsibility for delays caused by any delivery service.

RFPQ submittals sent to the AGENCY via electronic means, including but not limited to email, in response to this RFPQ will not be accepted.

Late submittals will not be accepted and will be automatically disqualified from further consideration.

2.4 CONFIDENTIALITY

All submittals and any accompanying documentation become the property of the AGENCY and will not be returned. All information received shall remain confidential until a contract resulting from this RFPQ is executed by the successful CONTRACTOR and the State of North Carolina.

Any information in the submittal that the CONTRACTOR desires to claim as proprietary and exempt from disclosure under the provisions of NCAC T01:05B.1501 or other state or federal law that provides for the non-disclosure of your document, must be clearly designated. Each page containing the information claimed to be exempt from disclosure must be clearly identified by the words "CONFIDENTIAL" or "PROPRIETARY INFORMATION" printed on the lower right-hand corner of the page. Marking the entire submittal Confidential or as Proprietary Information will not be honored.

2.5 RESPONSIVENESS

All submittals will be reviewed by the AGENCY Administrator to determine compliance with administrative requirements and instructions specified in this RFPQ. The CONTRACTOR is specifically notified that failure to comply with any part of the RFPQ may result in rejection of the submittal as non-responsive.

The AGENCY also reserves the right, however, at its sole discretion to waive minor administrative irregularities.

2.6 COSTS TO PROPOSE

The AGENCY will not be liable for any costs incurred by the CONTRACTOR in preparation of a submittal, in conduct of a presentation, or any other activities related to responding to this RFPQ.

2.7 NO OBLIGATION TO CONTRACT

This RFPQ does not obligate the State of North Carolina or the AGENCY to contract for services specified herein. The pre-qualified CONTRACTORS will receive a separate bid solicitation for the construction of the project.

2.8 REJECTION OF SUBMITTALS

The AGENCY reserves the right at its sole discretion to reject any and all submittals received without penalty and not to issue a contract as a result of this RFPQ.

2.9 AGENCY'S RIGHT TO AMEND AND/OR CANCEL THE RFPQ

The Agency reserves the right to amend this RFPQ prior to the end date and time. Amendments will be made in writing and publicly posted as one or more addenda to the NC DMS website <https://deq.nc.gov/about/divisions/mitigation-services>. Each CONTRACTOR is individually responsible for reviewing addenda and any other posted documents and making any necessary or appropriate changes and/or additions to the CONTRACTOR's response. All CONTRACTORS are encouraged to frequently check the DMS website for additional information. Finally, the Agency reserves the right to cancel this RFPQ at any time.

3 EVALUATION OF PRE-QUALIFICATION PACKAGES

3.1 EVALUATION

Responsive submittals will be evaluated in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of submittals shall be accomplished by an evaluation team to be designated by the AGENCY, which will determine the ranking of the submittals.

3.2 SCORING

All pre-qualification submittals will be evaluated using a pre-qualifications matrix. The matrix is divided into three sections:

Section 1. Minimum Requirements	zero points; must meet minimum requirements to proceed to Section 2 (any answer of NO without and acceptable explanation results in disqualification)
Section 2. General Requirements	up to 60 points; have 30 to proceed to Section 3
Section 3. Project-specific Requirements	up to 40 points
Section 4. Signature Form	zero points; must meet minimum requirements to proceed to Section 2

The maximum possible score will be 100 points. Submittals receiving a score of at least 70 points will be deemed pre-qualified.

3.3 NOTIFICATION

The AGENCY shall publish the results of the pre-qualification via email.

3.4 DEBRIEFING OF UNSUCCESSFUL CONTRACTORS

Upon request, a debriefing conference will be scheduled with an unsuccessful CONTRACTOR. The request for a debriefing conference must be received by the AGENCY Administrator within five (5) business days after

the results are posted to NC DMS website. The AGENCY will conduct a debriefing conference within five (5) business days of the request.

Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one (1) hour. Discussion will be limited to a critique of the requesting CONTRACTOR's RFPQ submittal. Comparisons between submittals or evaluations of the other submittals will not be allowed.

3.5 PROTEST PROCEDURE

Upon completing a debriefing conference, the CONTRACTOR is allowed five (5) business days to file a protest with the AGENCY. Protests must be submitted in hard copy.

CONTRACTORS protesting the results of the prequalification shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to CONTRACTORS under this prequalification.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the AGENCY Procurement Manager:

Jeff Jurek
217 W. Jones Street, 3rd Floor
Suite 3000A
Raleigh, NC 27603
Jeff.jurek@ncdenr.gov

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator
- Errors in computing the score
- Non-compliance with procedures described in the prequalification document or AGENCY policy

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as:

- An evaluator's professional judgment on the quality of a submittal
- AGENCY'S assessment of its own and/or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY.

The protest review team will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another CONTRACTOR that provided a submittal, such CONTRACTOR will be given an opportunity to submit its views and any relevant information on the protest to the AGENCY Procurement Manager.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action.
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest.

- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all submittals
 - Re-issue the solicitation document and begin a new process
 - Make other findings and determine other courses of action as appropriate

If the AGENCY determines that the protest is without merit, the AGENCY will notify the CONTRACTOR of the rejection and no further action will be taken by the AGENCY regarding the protest. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

Project Name: **UT West Branch Rocky River Restoration Site Mitigation Project**
AGENCY: **NCDENR Division of Mitigation Services**
Location: **Mecklenburg County, North Carolina**
Designer: **KCI Associates of North Carolina, P.A.**

Project Description:

The project will involve restoring 3,931 linear feet of stream over three tributaries: an Unnamed Tributary to West Branch Rocky River (UTWB), Unnamed Tributary 1 (UT1), and Unnamed Tributary 2 (UT2). The will involve bank and floodplain grading, soil handling and filling of the former channel, installing of stream structures (such as step pools, constructed riffles, brush toe, and soil lifts), culvert replacement, and riparian planting (live stakes and bare root stock). The project is located in the Town of Davidson's Fisher Farm Park, which will remain open except for excluded construction zones.

Stream restoration efforts are expected to result in:

3,985 linear feet of stream restoration;
45 linear feet of stream Enhancement Level I; and
49 linear feet of stream Enhancement Level II.
